Re: Request for All Records On "Sima"

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552, I request all records on or pertaining to a person referred to as "Sima" and any other aliases, names, code names and all logical variations thereof from all sources that may be relevant to her, wherever they may be located or filed. It is my understanding that "Sima" was an alias or code name that the Federal Bureau of Investigation and possibly other government agencies used to refer to my mother, Ms. Judith Coplon, whose married name was Ms. Judith Socolov. She is now deceased. Attached is her death certificate for your records. To the extent available, we request the production of all records in a searchable digital format.

Please search the Central Records System ("CRS") for all main files and all "sees" or "cross references." In providing cross-reference materials, please provide not only the initial page of the cross-referenced document and those pages to which the name "Sima" is indexed but also the entire document. And, with respect to "see" references, I request each document that contains material responsive to my requests in its entirety.

Your search of the CRS is not to be limited to the Universal Index component of CRS. My request includes, but is not limited to, a search from the Main headquarter files as well as field office files. I also request that you search other components, including specifically the following records systems set forth in Negley v. Federal Bureau of Investigation, 658 F. Supp.2d at 57 n.3: (1) the Investigative Case Management ("ICM") ... (2) Electronic Case File (ECF) ... (3) Electronic Surveillance (ELSUR) indices, (4) ... (5) the card system in the [relevant field offices – e.g., the New York, Washington D.C. field offices (6) the card system at FBI headquarters ("FBIHQ"), (7) handwritten notes, (8) so-called 'personal' files, and (9) restricted documents. My search request also includes any special indices or other indices maintained by any division, section, office, bureau, resident or other component of the FBI.

In addition to the foregoing, I request all previous requests for information on Sima and all correspondence pertaining thereto, including not only Freedom of Information Act requests but congressional, news media or other requests. In particular, this should include the requests submitted by The Office of the United States Attorney for the Southern District of New York.

With respect to your search for ELSUR records, I request not only any recorded pertaining to any electronic surveillance to which "Sima" was the target, but also any "overhears" or "mentions" pertaining to her.

If any document contains material on the back of any pages, such as a date stamp, please provide any such pages.

I am willing to pay up to \$50 for the processing of this request. Please inform me if the estimated fees will exceed this limit before processing my request.

I am seeking information for personal use and not commercial use.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Emily Socolov". The signature is fluid and cursive, with the first name "Emily" and last name "Socolov" clearly distinguishable.
